ON THE COVER

Triumphs were present at Wheels & Wings, thanks Gary for leading us there. The Picnic was tasty (not shown) and informative (tech session). Thank you Phil & Sue for hosting.

Triumphs & Tribulations is the official newsletter of the Minnesota Triumphs Sports Car Club. It is published monthly except for November and December. Deadline for contributions is the 20th of the month prior to publication. All the opinions expressed in the articles, columns and other materials are those of the author and do not necessarily reflect the position of MTSCC. MTSCC is not responsible for any technical advice which may appear in these pages. Classified ads in the Triumph Trader are free to MTSCC members and to members of other Triumph clubs. Submissions should be sent to the editor. Non-member and commercial notices are published for \$5.00 per month. VTR Newsletter Winner 1997, 1998, 1999, 2000, 2002 & 2004.

PREZ RELEASE

I would like to use this space to write a quick word about service to our club and the status of our regalia.

First of all, at the last meeting the regulars stepped forward to assume the various volunteer and elected positions in the club. However, there were many folks in attendance who seemed reluctant to accept the responsibility of a position. The fact is that we need workers. We really need a recording secretary. I am not a parliamentarian; however, if we are to maintain our status as a nonprofit we need to have our meeting recorded. Is there someone out there who is willing to take this on? Furthermore, the folks who have volunteered for various duties will need some help. Please let it be known if you can help out. I will ask again at the October meeting. Some members have inquired as to the status of our club regalia. Who is handling this? Who are

these guys? How do I get what I want? To clarify this I would add that last year, after assuming responsibilities as president, after a long strenuous hard fought campaign, it became apparent that there was no one in charge of regalia. There were no official regalia available to members. Some of the members were resorting to having items printed on their own; for the most part it looks quite good but no official club designs, no continuity. To get things on track I asked a business acquaintance, Jake Forsland, of American Business Solutions, for help. Jake was willing to set up an online store for our club. To my thinking this would be great, no longer would we have to make an outlay from our treasury for product and we would have at our disposal the entire range of product from American Business and we would be able to order and charge to our cards, simple. Consulting with Terry Mackey and Joe

Demuth, former regalia volunteers, we decided on a few items to be included on the website and, at several meetings I have presented the catalogue for members to make recommendations to include items. Logos and tag lines can be added, all they need is the artwork. What we really need here is someone to step up and be the official contact for regalia; working with Jake we should have what we want readily available for everyone.

Let's all wish the members traveling to VTR this month a safe, trouble-free trip. We know the Triumphs are up to it but some of the drivers are getting a little older! Maybe it should be a requirement that the hotels have a whirlpool for the road weary...

It's NEW. Now you can keep in touch, share photos, and let other Minnesota Triumph members know what you're up to. Check in at MN Triumphs on facebook. Go ahead, write on our wall.

MINUTES OF THE MINNESOTA TRIUMPHS

September 12, 2013 Meeting Minutes

President Larry Berg called the meeting to order at 7:26 p.m.

Several new faces joined us for today's meeting, including Rick Morris, who has a 1976 TR6, Rich Meggitt who is performing a frame-off restoration of a 1974 TR6, and Dennis Kendrick from Scandia who is nearly finished restoring a 1967 Spitfire.

Phil Ethier showed everyone pictures of the vintage sports car festival at Road America in Elkhart, Wis. He was invited to bring the Stag and he and Sue had a wonderful weekend.

Treasurer Rick Hansen said the club's finances remain steady, which is good. He said we'll probably end up about \$1,000 ahead for the year.

Membership chairman Joe DeMuth said the roster remains about the same. He pointed out that any new member who joins starting in September will be a paid member through 2014.

Newsletter editor Orrin McGill said the newsletter process is going well. He said he would not be able to continue editing the newsletter next year.

Event coordinators Terry Mackey and Dick Leighninger reported that Wheels & Wings and the Hangar Dance last weekend went well. They are looking forward to the picnic at Phil & Sue's house on Sept. 14.

Other events include the Waumandee Hillclimb in Alma, Wis., on Sept. 20-22 and the color tour on Oct. 12 (that will start at Point Douglas Park at 10 a.m.). Then the High Tea is coming up on Oct 20th at Carole Isakson's house.

For Tech Sessions, Pat Holt reminded everyone that Saturday's picnic is also a tech session on preparing our cars for long trips (especially for those making the trek out to California for the VTR gathering). He said information about an upcoming session in October is coming soon.

VTR liaison Larry Sanderson reminded everyone of the upcoming VTR convention in California. He also mentioned that next year's convention is slated for North Carolina.

VTR REPORT

VTR REPORT OCTOBER 2013

By the time you read this letter 8 cars will be heading west to San Rafael, CA for this year's VTR convention. Gayle and I will start from Byron heading west toward Worthington where we will meet up with Joe Bisanz and Orrin McGill and their wives. From there we will be heading to York, NB for a nights stay. The next day finds us enjoying the sites thru NB and into CO where we will stay in Breckenridge for night two. Night three finds us in Moab, UT where we will meet up with Greg and Carol Thompson, Terry and Bernadette Mackey and Terry and Sharon Neuman. In Moab we start our Utah adventure with tours to all the National Parks in the area. After touring Lone Ranger country, we head toward Tuba City, AZ for our forth night's stay. We head out on day five for a tour of the Grand Canyon which Gayle and I have never seen and later that day to Kingman, AZ for night # 5. Day 6 we head out on one of the few remaining stretches of famous Route 66, cross the Colorado river and then up to Las Vegas where we hope to get a nice photo on the strip of 6 nice cars and of course all the road weary travelers.

After we win some loot we head to Death Valley, CA for a nice warming tour and later for night 6 in Bishop, CA. Day 7 on Oct 2 will find us heading up and thru the Yosemite Valley and Park. If time permits and forest fires are under control, we may get a chance to see the giant redwoods. Down to the big valley in CA and threading our way to San Francisco and the Golden Gate Bridge to San Rafael for the convention start.

In the meantime we have Bill Nelson driving his Spitty with Joe Demuth on Sunday the 29th. They will hit it hard to get to San Rafael by Oct 2. Somewhere in the pack will be John and Vanya Kallaus who have not reported in as yet.

John Myers will be flying out on Oct 2 via Sun Country to San Fran. He will rent a vehicle or hitch a ride somehow to San Rafael. John will be Terry Mackey's co-pilot on the return trip back to MN as Bernadette and Virginia will return via plane on Oct 6.

We all hope to be back to the Oct meeting for the election of our MN TR Board. Thanks to all of you who have

volunteered positions on the slate. Still looking for a secretary, so think about that and maybe you will volunteer at that meeting or before.

One last thing...I hope that all new members will consider joining VTR at www.vtr.org. Once a member you may join all of those planning on tripping to Surrey County, North Carolina for the VTR convention in 2014. We will see lots of fantastic country including the Blue Ridge Mtns and North Carolina next September 9-13.

NOTES FROM MY ADVENTURE AT THE 1993 VTR NATIONAL IN EVERETT, WASHINGTON

by Bill Nelson

Seeing: Bumper stickers for Giants, A's, 49ers, Oakland Raiders. Also hawks, dogs, cats, squirrels, blue jays, possum, raccoons (some live, some dead). Fields of strawberries, corn, sunflowers, rye grass, X-mas trees, and water. Personalized plates: "FLOS 4 US" (belongs to a dentist?), Trucks with 3 trailers.

Comment from a youngster in Bakersfield, "That's a bad car ...that's a little car!"

Q: Do you know the reason it took Jan so long to get to Washington?

A: She kept stopping to pick up road kill for the cafe.
105 at 2:00 on Sunday afternoon.
91 at 12:00 at Tuesday noon.
88 at 6:00 on Tuesday evening.

Starter stops!!! (Called AAA for a 3 mile tow to Dunsmuir).
"Is that a 'Tony'?" "No, it's a Triumph".

So glad to see Jan, Cheryl & Steve. Get car going again 1/2 hour later.

Stray dogs wandering into motel rooms.

A lot of pot holes on Interstate 5.

Teaching hand signs for right & left turns. Also STOP!
Tach reads 5,000 rpm; Speedo reads 70-75 mph. Per the T-bird, actually doing 63 mph. No wonder I'm being passed by nearly everything in sight.

Do we have enough gas to make it to Vancouver, Wa?

The "E" on the gas gauge stands for "Enough".

"Want your tank topped off?" Then the attendant proceeds to wash the trunk lid with gasoline.

Q: What brand of gas do you put in a British sports car?

A: BP (British Petroleum).

Did we make a wrong turn? After leaving LA, I see signs for Phoenix, Goshen, Long Beach, Lakewood, Goshen (again), Lebanon, 405 fwy, Admiralty Way, Dallas, St. Paul, Glendale. "Hmmm, a Lucas pen. Wonder how long it will work?" asks Jan. Diamond lane in the left lane, now it is in the right lane.

What a view from the Space Needle.

90 in Everett on arrival.

I get Ken Richardson's autograph!

Spitfire won't pass tech inspection for the autocross.

I stick around the hotel & help The Roadster Factory crew unload their trailer. Charles Runyan very grateful.

Boeing, Everett. WOW!! Largest building in the world. 6 doors each the size of a football field.

Call Steve M to bring a hammer & chisel from Cheryl's moms

house. He brings chisel, but no hammer. Bob Reinholt calls around for a hammer.

Man walks into hotel carrying a hammer. "Is that the hammer for Bob?" "What are you talking about?" The man had no idea who we were or what 'VTR' was. He and his family were vacationing. Borrow hammer from the family from Sweden. When

I return the hammer, they return the redhead to Steve M. Mrs. Smock finds \$1.77 in the sofa cushions in the hotel lobby.

Finally cool & foggy on Friday.

Beautiful drive through Whidbey Island for the Fun Rallye. Gunnar asks, "What would happen if a car broke down during the Funkhana? Probably throw off the timing for the next car."

THANKS GUNNAR!!!

Clutch disintegrates as we run the course!

My thanks to all who helped & showed concern (a lot of people).

Ordered parts from The Roadster Factory. Thank you Charles Runyan!!!

Floor jack makes quite a racket being dragged across the parking lot at 12:30 am.

Not much quieter as the wheels squeal on carpet in hotel hallway.

3 nights at Cheryl's moms house.

Q: How do you find North in Washington?

A: Look for the mossy side of the car.

Replaced clutch disc. Thank you Steve (my pit crew chief).
Generator goes out 20 minutes later!! Make the 10:50 ferry at
10:49:45

Water between ferry & dock before we shut off the car engine.

Generator rebuilt in Bremerton, Wa.

"Do you have a generator for a '63 Triumph Spitfire?'...Do I
look like I'm joking?"

Generator goes out in Reseburg, Or. Rebuild it in Medford,
using part of mine and part from a Sunbeam.

Generator goes out at the off-ramp in Montelbello, Ca.

Next time I won't try so hard for the "Hard Luck Award". I
didn't win it anyway. Brought home a 2nd place ribbon, Brad
won in the childs division for models.

Decide to convert generator to alternator. Order from The
Roadster Factory for Jan to carry back from Pennsylvania with
her. Charles tells Jan "Bill Nelson (emphasis on the Bill
Nelson) would like you to bring back an alternator." They are
probably still talking about me in Armagh. Paul Smock, I am
considering seeing a shrink.

Thank you members from Portland, B.C., & Tyee. Thank you
Charles Runyan. Thank you Paul, Rick, Bob, Gunnar, & Jan.
Thank you, thank you Steve & Cheryl.

*Bill Nelson 8:30 am. The morning of the Fun Ralley. Little
did we know that it would be the Day the Clutch Stood Still*

About Minnesota Triumphs Car Club

Minnesota Triumphs formed in 1981 when a group of Triumph enthusiasts met for an afternoon of fun and conversation at Fort Snelling Park.

Since then, the club has grown to more than 150 members from throughout the Midwest.

Our activities include:

- Monthly meetings
- Social gatherings
- Tech sessions
- Road rallies
- Regional and national events

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough, are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.

Membership

Our membership year runs January 1 through December 31.

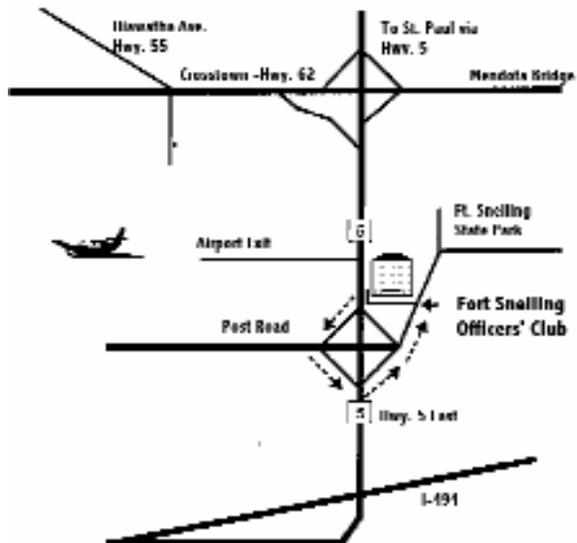

Annual membership is \$25 (an additional \$1 provides your partner with voting privileges at our annual election of officers). With this membership fee, your newsletter can be seen on-line or you can pick up a hard copy at the monthly meetings.

If you prefer to have your newsletter mailed to you, membership fee is \$35 (plus \$1 for partner's voting privileges).

Join after September 1st and enjoy full membership benefits through the remainder of the current year and the entire next year.

Monthly Meetings

Minnesota Triumphs meets the second Thursday of each month, January through October. Club members gather at the Fort Snelling Officers' Club at the intersection of Post Rd. and Hwy. 5 across from the Minneapolis/St. Paul International Airport.

Membership Notes

We have a new member this month, Richard Meggitt, from Spooner Wisconsin. He drives a TR6, I don't know the year. Welcome to the club. For those of you keeping your rosters up to date, as I do, his phone number is 763 412-5001. Also, an error to be corrected is Andy Lindberg's and Linda Larson's telephone number should read 651 242-7635.

If there are other errors, please email me, I will fix them in the database so it will be correct in the next edition which I will email early next year.

And in anticipation of collecting next years dues, here is what I am thinking. First, to save the club postage fees, I will not be mailing renewal notices as I have done in the past. Second, that means you will not be receiving your membership data for proofing at that time. Instead you will get an up-to-date copy of the roster and it will be up to you to submit any changes that need to be made. And lastly, I will remind all unpaid members before the end of March that they have not yet paid dues for 2014.
