**PREZ RELEASE**

The 2015 VTR in Lake Geneva Wisconsin was a great event blending a classic resort area with beautiful homes and our classic Triumphs. Sharon and I traveled with Terry and Bernadette Mackey down to Lake Geneva taking a leisurely two days to arrive in at the Abbey resort in Fontana Wisconsin. Found some wonderful roads through western Wisconsin and took a fascinating tour of Frank Lloyd Wright's home in Spring Green.

Club participation was excellent and we managed to receive a VTR club participation award. Congratulations to John Myers who received 1<sup>st</sup> place in the concours show with his TR8. In addition, Joe Soucheray took 3<sup>rd</sup> place in concours with his TR6 and Terry Mackey took 3<sup>rd</sup> place in TR4 participant's choice category.

Our next two meetings will be held in the Roseville VFW post 7555. This location was chosen due to its central metro location and a good sized parking lot along with decent facilities and food. Sorry I will miss the September meeting as well due to my daughter getting married in Warrens Wisconsin.

My TR6 performed pretty well on our trip to VTR until I started having trouble getting it to go into first gear at stops. It looks like my clutch is not fully disengaging and bleeding the clutch hydraulics provided no relief. I noticed the

# MINUTES OF THE MINNESOTA TRIUMPHS

Minutes  
September 10, 2015

The September meeting found us at a new location, the Roseville Anderson VFW at 1145 Woodhill Drive. Twenty-plus Triumphs found their way to the parking lot. Since the weather was excellent, a great deal of time was spent in under-bonnet and under-chassis examination.

When most members had dragged themselves into the building and managed to locate the basement meeting room, VP Jon Meier called the meeting to order. Mike and Bill introduced themselves and the '69 TR6 that had been in their family for 35 years.

Treasurer Terry Mackey said that his financial reports are now in the newsletter and that there's some interest in name badges and regalia.

Membership official Joe Demuth was not there but we may have 95 to 98 members.

The September meeting is the one at which we nominate officers for the next year. Many of the officers were not there so they all got nominated to serve another year. Orrin McGill will be taking over the newsletter full time. Next month is the election and Terry Mackey announced that there will be a club-sponsored pizza party. So come and get your free pizza. (No one will be browbeaten into volunteering for a club position.)

Upcoming events were announced. See the Calendar for details.

Finally, our Vintage Triumph Register, Larry Sanderson, expressed his opinion that Minnesota Triumphs should host another national Triumph convention. Some people agreed with him and some didn't.

Finally my dinner arrived and Jon Meier adjourned the meeting.

The September and October Meetings will be held here:

# VTR REPORT

## VTR REPORT OCTOBER 2015

It was good to finally make it to a club meeting at the VFW in Roseville. It is quite a hike for us folks living in the Rochester area. The food was good but the traffic was terrible as we have to come up HWY 52 and then up thru the construction zone of 35E. Those of us down south sure miss the officer's club in Bloomington. As it was, I still got there late, but it was nice to visit with those present.

Our club roster of members has decreased over the last few years. We remain solvent with a nice amount in our bank account. It is the same for the Vintage Triumph Register. VTR still has enough members to stay solvent and keep producing our magazine dubbed of course "The Vintage Triumph". VTR sent me a packet of Vintage Triumph mags that I distributed to any at the meeting who is not a

VTR member or for members who may not have that issue. If you are not a VTR member and were not at the meeting, I will send you a sample issue so you might see how the magazine looks. Drop me a note with your address and I will forward a copy as long as they last.

It is time for officer elections once again. If you are a member, please be sure to be at the October meeting to place your vote or nominate someone who you know will do a good job.

Remember 2016 will find us all back in Texas as the Red River Tr club will be our host once again from Oct 3-7, 2016. It will be held in North Texas at the Tanglewood Resort on Lake Texoma in Pottsboro, Texas. Cost will be \$135 for 1 car, 1 driver and 1 non driver. You will

get a \$15 discount if you register by August 15 of 2016. You may come without a Triumph for \$20 reg fee. Rooms are \$99 for any King. You may call 800 833 6569 which gets you right to the resort. Be sure to say you will be joining Red River Triumphs on those dates.

There is lots of motoring left as autumn arrives Wednesday Sept. 23 at 4.21 am. So be sure to set your clocks so you can drive right into fall. At least you may want to look out your window to watch the change.

Write or call me or check the net at [www.vtr.org](http://www.vtr.org) if you wish to join VTR.

## November Tech Session

is going to be hosted by Bob Swanson on the 21st at his home, 4909 54th Ave N Crystal MN 55429. Bob has a TR3 that was dismantled and sent to the body shop. The repaired and repainted body parts now need to be reassembled. This is the tricky part.

### A Note From PAT:

Sue & Phil Ethier hosted a after Wheels and Wings Picnic on Sept 12th.

First let me thank the whole club for doing the 2015 Vintage Rendezvous in Ashland. The list of helpers was way too long to mention everyone, it would be shorter if I just name the few who didn't, but I can't think of anyone who wouldn't help when asked.

Marsha and I have over 20 yrs of MN Triumph membership and we have seen years when it seemed to rain every weekend and others like this summer when it was so nice that I wanted a driving event for every weekend. I will try to fill up the calendar for next year.

As usual we start our year with a winter party and when the snow melts

in April or May a spring shakedown tour. In May the Spring Kick-Off Car show in Osseo MN. It's a good reason to detail the car and get it out, I'll try to give you a reason to keep it out till our fall colour tour. A new event has been added to close out the year. A Car Show will be at Sponsels Apple Orchard in Jordan Mn. Oct 18th.

The last Picnic of this year at Cherokee Park will be hosted by the MG club on Sept 27th. This is the same weekend of the Waumandee hill climb and a great way to finish the day. The Waumandee event starts on Friday and run on Saturday. Triumph's usually win this event, and supply a number of corner workers. Marsha and I ran 1/2 day and worked 1/2 day last year.

Call Dick Leighninger 651-944-6064 about accommodations. Tom Hazen 612-237-1883 about volunteering and running.

I'm really looking forward to this year's Fall colour tour, the start will be October 12th @ Point Douglas Park 10am.

Let me know if you have an event idea or if want to help out.

I hope to do a better job of filling in our event calendar next year. Some of our members are limited to not going to far from town, (babysitting) while others are retired now and are want to do longer multiple day trips. (empty nesters) I volunteer to do two driving events next year one short and one long.

Who's next?

If you can't make it to the October meeting, call or send me your ideas for next year.

Tech session September 19

Bill Nelson's TR7 was having trouble. Its starter motor wouldn't turn off. The club members at his garage quickly solved that problem. Of course, then the starter motor wouldn't turn on at all. So an hour or two was spent looking for disconnected/broken wires. None appeared and a new ignition switch didn't help either. Cleaning the gunk off the front carb's needle did allow it to operate but that didn't help the electrics.

Bill served lunch, running the huge risk that everyone would desert him after their plates were empty. It didn't happen. Burning with frustration, they went back to the engine bay. This time the investigation started at the battery (whose charge had already been checked and found to be barely adequate).

Positive and negative grounds were securely fastened. But, but. What was that? Two negative ground wires? One was much smaller than the other and hidden under the surrounding components. Joe Demuth attached the innocent-looking wire to ground. Securely. And bingo! We have ignition. Another successful Minnesota Triumphs tech session.

# FALL ORCHARD SHOW UPDATE!

BY JOHN ENGSTROM, KICK-OFF CHAIR

Well, we have the Spring Kick-Off and are now adding another show. So far we are calling it **The Fall Show**. (clever name don't ya think?). It's probably the last show of the year for most of us.

**Located out in Jordan at Spensel's Apple orchard, it will take place on Sunday October 18th between 10AM and 2PM.**

Spensels is located South of Jordan on 169. Take a Left on 66, (also known as old 169 blvd.) there will be an Orchard Sign there, then drive a short bit, turning right at another Orchard sign.

Easy to find, they have plenty of parking in open areas and can hold everything we could bring. In addition, they have a restaurant, a bar where you can get apple wine, a petting zoo, hayrides and a picnic area. Lots to do, and of course, you can buy apples or pick your own.

The show is open to all classic foreign cars, even if they are less than 20 years old.

Come, it's the last InterMarque event of the year and a great time to have a car show!

**79 Spitfire** - bought last fall - was barn stored for 10 years - still ran and clean - but no brakes - wire nut electrical refined Lucas Quality - hoses dried out - wheel grease gone. Many original parts missing or wrong. Spent countless hours getting it road worthy again. A really fun car to drive

## Meet three new members and cars in their own words

This is our **'69 TR6**, finally on the road again after several months of tinkering. It's early years are unknown, but it spent at least 35 years with various family members, from a distant cousin, to an uncle, then our dad, then a different cousin in California, before coming to us last December.

I recently acquired this **1976 TR6** of uncertain mileage via the list of Craig. It was originally purchased in Newport, MN and somewhere along the way spent 18 years in storage until the previous owner bought the vehicle. It is my introduction to Triumphs, cars older than me, convertibles, carbureted engines, and Lucas electronics — so naturally I am quite excited for how much I've got to learn. The frame, body, and drivetrain are in good condition but I'll have to get working to install floor pans and a new(ish) interior if I've got any hope of cruising in it this fall. *Tom Saunders, Minneapolis*

We both first got to drive the 6 during the 10 or so years our dad had it in his barn in Oregon. Dad had owned a TR3 in college, and kept this 6 running enough for short drives along the coast, but did most of his car work on the '46 Willys Jeep that he restored and drove around the sand dunes.

When our cousin mentioned that the car was just sitting and available any time we wanted it, Mike had it on a truck to his place within days. We've been working on it most weekends since the winter thaw, and now it's been driven farther in the last week than it went in the previous 10 years. Our dad passed away in January 2014, and for us this is not just a cool and fun car, it's a great connection to dad, fixing up and driving a car that he also enjoyed.
