**PREZ RELEASE**

The April MN Triumph meeting was on a beautiful Spring day and the lot was full of members excited about the upcoming driving season. I myself managed to drive my TR4 project car and made it both ways without a breakdown. But what an experience compared to a TR6. Lots of rattles and shakes but I love the "tractor" motor (Yes, I know it's a myth that the motor is a tractor motor...similar, maybe).

I asked for a show of hands for Triumphs going to the June Rendezvous in Kenora, Ontario and was greeted with many members (did not get a count) ready to go to Canada on a Northern adventure. Remember, you need a passport and when you enter they want to know if you have any guns.....when you return home they want to know if you have any fish!

For those of you that are, and are not, wedge owners, Jon Meier forwarded a link to an interesting article written about what it's like to drive a TR7 or TR8. I remember driving a TR7 hardtop back in 1976 and thought it was pretty comfy compared to a TR6. The author pointed out that the production numbers on the wedge were the most for any Triumph and he concluded it is a very nice roadster (or coupe) to drive and worthy of consideration if you are looking to fill another stall in your garage. Also, the looks of them are greatly improved by adding mags one size up from stock.

On a closing note from an old motorcycle racer, a few words of

**TRIUMPHANT LADIES**

Are gathering together on an e-mail list! What's that about??? It's a casual way for us ladies to stay in touch about who is going to an event, meeting, trip or drive. We can also help each other stay informed about anything that comes up, such as if someone has surgery, or becomes ill, gets a new car or wins an award for a show. Knowing someone cares is always welcome! Also, this has the potential for growth into more, such as our own events and gatherings, etc. It's our own so it can be as much or little as we want to make of it. There are already a few on my list, and are added only by request. To be included in this fun (I hope!) venture, please email me. [nancy@gelhar.com](mailto:nancy@gelhar.com)

Triumph wisdom that just because a carburetor works great on a snowmobile or motorcycle, that doesn't mean it will work on an old TR4 (that's all I will say for now!.....).

# MINUTES OF THE MINNESOTA TRIUMPHS

TR Monthly Meeting April 14  
Kinda Official Minutes

The temp on April 14 was 75°. This summerlike weather brought a baker's dozen Triumphs to the Roseville VFW parking lot, most of which lined up for their official portrait. The weather was so nice that the VFW brought out a table and some of us dined al fresco. But alas, we eventually went downstairs for the meeting.

President Terry Neuman called the meeting to order at 7:16, with about 30 people present. Two new members were present, Nancy with a '59 TR3 and Peggy with a '58.

I gave the Secretary's report and gave away some Triumph things that the thrift store wouldn't take. Treasurer Terry Mackey said we still have about \$13K floating around doing nothing. Newsletter editor Orrin McGill reminded us send all newsletter material to him at [Newsletter@mntriumphs.org](mailto:Newsletter@mntriumphs.org) rather than any of his umpteen other mailboxes.

Membership Secretary Joe Demuth was not present but announced we have 90+ members. Tech session guru Roger Kraemer said Cody sent his thanks for the help he got from the club at the previous tech session.

Steve Shogren let us know that even though the winery is up for auction, the Brit car event is still on for August 13.

The meeting was adjourned at 7:45.

The Meetings will be held here:

# VTR REPORT

## VTR REPORT MAY 2016

Hello from S Florida for the last time this snowbird season. I know the weather is finally coming around in Mn, but here in S FL the Atlantic Ocean was almost flat yesterday as the wind was almost non-existent. The water was a beautiful clear aqua marine and very few folks were at the beach to enjoy this pristine sight as many folks have migrated north with all the other birds. TR driving must be in full swing as I read so much on the Tr blog. Raja TV was the hot one tonight where all the guys tried to kill themselves going over cliffs and wrecking barns and vineyards. We head north on May 12 or 13 and the Solara and I are not quite ready for that hot driving. We will probably miss the May meeting but plan to see you all in Kenora. I have booked a fly in to Snowshoe Lake. It will be a 4 day walleye and northern pike festival if anyone cares to join me. I think we have room for 3 more in the outpost cabin which sits near the lake and is actually in Manitoba. Cost is about an extra 1100 for the fly in and cabin, boats and all our fuel. Start picking night crawlers. If we catch no fish at least we will have lots of ice for the beer as they harvest it from the lake in the winter for our beer in the summer.

So Gayle and I are looking to visit all of you and hopefully caravan or at least meet up with some for the drive to the Sunset Country. We may stay in Duluth and drive in the next day. We probably signed up too late for the boat ride, but I'll be riding boats for 4 days in Bear and moose country. Much more fun.

Once more time I will give you the info so hopefully you are signed and ready for the VTR convention. As you know, 2016 will find us all back in Texas as the Red River Tr club will be our host once again from Oct 3-7. It will be held in North Texas at the Tanglewood Resort on Lake Texoma in Pottsboro, Texas. Cost will be \$135 for 1 car, 1 driver and 1 non driver. You will get a \$15 discount if you register by August 15 of 2016. You may come without a Triumph for \$20 reg fee. Rooms are \$99 for any King (probably not available). You may call 800 833 6569 which gets you right to the resort. Be sure to say you will be joining Red River Triumphs on those dates. All rooms are going fast. All king rooms are gone, but who knows maybe someone has cancelled.

So be sure to join "The Vintage Triumph Register" as you must be a member to go to the convention. For

\$35 you will receive 6 beautiful issues of the magazine. With that you get another source for technical consultants, the annual convention which brings hundreds together at various locations throughout the country. Also available is regalia and special rates on insurance. VTR is our source for insurance for all events we host. Check it out at [www.vtr.org](http://www.vtr.org).

We are looking forward to seeing lots of you at the Rendezvous in June. With a little luck, we hope we make it to Texas and maybe we can have some of new members join us in Texas for the VTR convention. Check to see who's going below. Winter has gone fast and so will this summer, guaranteed!

## 2016 Pre-Rendezvous Reconnoitre

### Hosted by "Chad and Dad"

The 2016 Pre-Rendezvous Reconnoitre is a drive through Northwestern Ontario, Northeastern Minnesota, and Southeastern Manitoba. The tour will leave Winnipeg, MB on June 4<sup>th</sup> and follow a clockwise route, finally arriving in Kenora, ON on June 9<sup>th</sup> in time for the start of the 2016 Sunset Country Rendezvous. The trip will pass through Fort Francis, ON; Thunder Bay, ON; Duluth, MN; International Falls, MN; Winnipeg, MB; and finally Kenora, ON.

For anyone worried about this being some kind of race or high-pressure rally, rest easy. This is simply an enjoyable drive with fellow British Car enthusiasts. As was evident during the excellent Rendezvous Rallye Superieur organized by Andy Lindberg last year, each day everyone was able to find a group of cars to travel with and drive at their own pace. Drive as fast or as slow as you want. Any British car would have no trouble keeping up.

Where possible, this year's route was chosen using suggestions for motorcycle tours, as they tend to travel scenic highways with little other traffic. The day from Duluth to International Falls is about 30% on roads described as "curvy, hilly, more challenging paved roadways". Each day's distance varies, but on average the tour will cover ~375km/235miles daily. This gives plenty of time for leisurely starts in the morning, relaxed lunches, and early arrivals at the day's destination with stops for sightseeing along the way. Even with the occasional road side tech session, no one should ever feel rushed. Total distance covered for all 6 days would be ~2260km/1400miles.

While we would love to have everyone join the drive from the start, we know that for many it will make more sense to join the tour along the route. The route was planned with this in mind, so if one wants to join in Thunder Bay, or Duluth, or any other point, feel free. For people in Winnipeg, if you don't want to do the entire drive it would still be great to have you join on the final day for the trip from Winnipeg to Kenora.

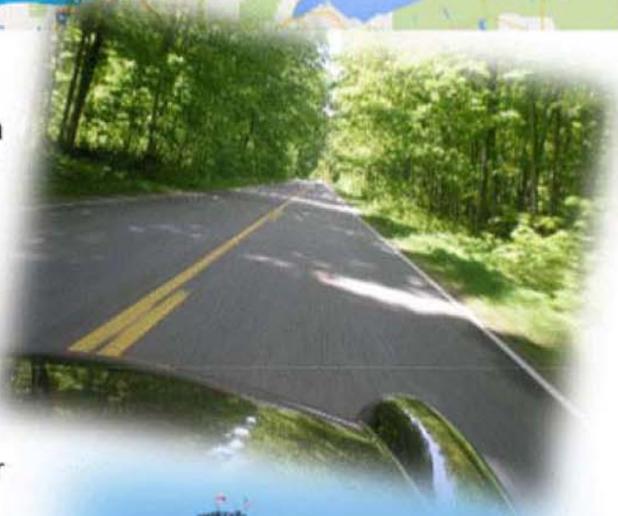

There is no cost to register for the tour. You will pay for your own food along the way, as well as your lodging each night. Once we have an idea of how many people are going to participate, arrangements will be made for a block of rooms at a nice, but inexpensive, hotel for each night. That list will be provided so that each participant can make their own room reservations.

If you are interested in joining the tour, have any questions, or want more information, please contact myself, Chad Edwards, at [C\\_G\\_Edwards@Yahoo.ca](mailto:C_G_Edwards@Yahoo.ca) or call 204-736-2755. We look forward to seeing as many fellow LBC owners as possible!

Join fellow British Car enthusiasts for 6 days of fun and camaraderie. ## About Minnesota Triumphs Car Club

Minnesota Triumphs formed in 1981 when a group of Triumph enthusiasts met for an afternoon of fun and conversation at Fort Snelling Park.

Since then, the club has grown to more than 150 members from throughout the Midwest.

Our activities include:

- Social gatherings
- Tech sessions
- Road rallies
- Regional and national events

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough, are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.
