

The voyage you are about to embark on will take you over, around, straight on, up & down, this way and that, and always the long way 'round. Can't guarantee we'll have sun, wind, rain, clouds or lots of colorful trees, or that there won't be some boring stretches. But if you enjoy your Triumph and driving, I believe you will have a good time. We will be setting a leisurely pace so please keep the Triumph in front of you close and at a safe distance.

Keep up.
