ON THE COVER

Wheels & Wings continues to bring in a crowd.
Thanks Phil & Sue for hosting the Post W&W Summer Picnic.

Triumphs & Tribulations is the official newsletter of the Minnesota Triumphs Sports Car Club. It is published monthly except for November and December. Deadline for contributions is the 20th of the month prior to publication. All the opinions expressed in the articles, columns and other materials are those of the author and do not necessarily reflect the position of MTSSC. MTSSC is not responsible for any technical advice which may appear in these pages. Classified ads in the Triumph Trader are free to MTSSC members and to members of other Triumph clubs. Submissions should be sent to the editor. Non-member and commercial notices are published for $5.00 per month. VTR Newsletter Winner 1997, 1998, 1999, 2000, 2002 & 2004.
A sigh of relief coming as this is my last Prez Release. As I have a reputation to being late, including this one, I do enjoy making this contribution to our newsletter. I have enjoyed being your fearless leader and having you all follow my vision......ok, that maybe was a stretch of the imagination. Nevertheless it has been fun. That being said, you will have a new leadership group soon, so turn in your votes. Thank you for all who have accepted nominations and an even bigger thank you for those that have elected to run for a consecutive term. I will say that sometimes the enjoyment you get out of being in the club can be diminished when having to run the club, so those that have volunteered their time do indeed deserve a bit of gratitude. You will find in this newsletter a ballot. As of the September meeting, the only contested position is the Newsletter Editor, however I must say both candidates are well qualified and we will be happy either way.

RACING REPORT:
I WON.....enough said.....but I’ll tell you more anyways. The first annual Waumandee Hill Climb took place Sept 21st, 22nd, and 23rd. “SIR” Tom Hazen as recently crowned put together a very well organized weekend full of socializing and racing. Friday night around 5pm I arrived at was immediately greeted by someone I don’t know as “oh, your THAT guy with the 9000HP spitfire”. Great, now I’m “that guy”! We soon took off for a parade lap up the hill to get an idea of what Saturday brings. Many that hadn’t been on the hill before were excited to have driven it even at very slow speed. From there, we went to an organic garden where they had a woodfire pizza oven and Tom bought a keg of New Glarus. As the pizza was slow to be served due to the large influx of people, it was very good and well worth the wait. The beer helped the wait as well. Early next morning I stopped in town for a warm breakfast and lots of hot coffee. Which were necessary as it was just above freezing with some crazy wind and raining and I didn’t have a top with me. Layered up I was still freezing. As I ate, Mr. Bob Cox was stroking my ego with his confidence that I would claim fastest time of day. As I was flattered, I expressed my concern over beating Ryan Buck in his 475HP Camaro on a hill climb. He agreed, but thought I could still do it. Then a group of us left breakfast and headed for the top of the hill for registration. The top of the hill was surprise surprise, more windy. As I sat in line for my first run, Bob Cox again came up to me with some reminders about late braking and early accelerating. All while rubbing my head and telling me how he still expects me to take top honors. As I may be strange, I let him give me the lucky head rub. The race was off and I managed to spin out on my very first “just for fun” untimed run and hit a hay bale. As you are only allowed two for the entire day, I was put on “Double Top Secret Probation” right away. As some thought it might slow me down as I would drive more cautiously, they were to find out that it had very little effect on my focus. I may have even drawn a smile out of Tom as I claimed Double Top Secret Probation only makes me faster!! Well the day went on and I managed 5 runs on the day in the Spitfire and 1 on Steve Shogrens RM7, however I could have easily taken 3 more if I had wanted to. Late in the day I took a ride in Ryan’s Camaro. I was feeling pretty good about my runs up until then when he scared me with a blistering final run. I thought I didn’t really stand much chance and didn’t feel either one of us stood much chance to beat Rich Stadther in his Merlyn 11A (formula ford). Off to the winery we went for a catered meal and some much anticipated race results. And with great surprise, I was able to capture the top seed with a 2:16.90 run up the hill beating Ryan by a mere 0.8 seconds and nearly 3 seconds faster than Rich. In Steve’s car, although not official, I ran a 2:19.28 which would have been good for 3rd fastest. Thanks Steve, throwing 3 foot flames is always a good time. The next day Tom and company went to see some Franklins, however I headed back in the cold Saturday night. By that time the red mist was keeping me plenty warm. If you would like to see the run, go on youtube and simply enter “Waumandee Hill Climb”. Both my fastest run and Ryan’s fastest are posted and it’s exciting to see how HP and momentum are utilized so differently in the two cars.

And again, thank you for letting me be your president for the past two years. I look forward to being Tech Session Coordinator next year.

Jeremy Fohrenkamm
September 13, 2012 Meeting

President Jeremy Fohrenkamm called the meeting to order at 7:08 p.m.

The club welcomed new member Andy Eastwood. He and his wife, Lori, live in Decorah, Iowa and have a 1977 Spitfire.

Jon Bosler also joined the meeting. He’s a potential new member with a 1973 TR6.

Sharon and Steve Mattson, Russ’ widow and son, also were welcomed guests to the meeting.

We had a recap of the Wheels & Wings car show that happened last weekend. John Myers’ car won a trophy, and deservedly so. After the show, many folks gathered at the Ethier’s house for a delicious picnic.

A quick note about the Sunday picnics: There is construction around Cherokee Park, which makes getting to the picnic a bit complicated, but not impossible.

Larry Berg reminded everyone that there’s only one month left in the take-a-picture-with-your-car-in-a-place-named-for-water contest. So far, he has not received many submissions. That’s OK Larry – we’re saving up to flood your inbox all at once.

Dick Leighninger mentioned that the Fall Color Tour will be on Oct. 13, while the High Tea will be on Nov. 11 at Carole Isakson’s house. Then, there will be a Sunrise Toast on Jan. 1, followed by the Winter Dinner at the Cherokee Steakhouse on Jan. 27.

Rick Hansen’s treasury report: “We have money.” He reports it’s about the same amount as last month.

Lenny Kukuruza reminded everyone that at this point, any new members who pay their dues will be members for the remainder of 2012 and all of 2013.

Orrin McGill reaffirmed that submissions to the newsletter are always welcome.

Pat Holt talked about the upcoming Waumandee hill climb, which was pushed to Sept. 29.

Larry Sanderson mentioned that the VTR gathering is coming up soon in Galveston, Texas. Next year’s convention will be in California’s wine country.

The rest of the meeting was used to accept nominations for the officer and voluntary positions for next year. A complete list of the nominations can be found elsewhere in this newsletter.

The meeting was adjourned at 7:52 p.m.

VTR REPORT
OCTOBER 2012

From the shores of Gitchee Gumee and the vista at Hawks Ridge comes this VTR report in Duluth. Not much new to report from here other than the fall colors are just gorgeous. By the time you get this report there will still be lots of time to come this way for some of our states best views. With regrets few of us are planning on going to the biggest VTR deal of the year in Galveston Island, TX. We will be represented though, thanks to Orrin McGill. I am sure Orrin will give us some nice photos and a report for the first issue of T&T in 2013.

In case you may make last minute plans for this VTR, you may contact the Texas folks at: http://www.regonline.com/vtr2012 or the hotel at: www.sanluisresort.com.

Be sure to make it to the last official club meeting of the year in October. when we will vote for our next slate of MN. Tr’s officers. Some new members have volunteered their service for which we say thanks. And a big thank you goes out to Jeremy and his slate for a job well done.

My garage is finally semi-clean enough to work on the brakes of the 6 and do some weld repairs to the 4A. I hope to get to these jobs this winter, but it seems that time never allows me to get in there. Hopefully this fall will be different for me and that you do not have that problem. I hope all of your winter Triumph projects will come true.

In the meantime remember VTR in hopes that you will join. If I may help or answer any questions, please call or write me or you may always check out the web site and join at www.vtr.org.

Best wishes and cheers for the rest of 2012.

DATE CHANGE! September 29: Coulee Classic Rally. 10:00 AM, Maiden Rock Village Park on the lake front, Maiden Rock, WI. We'll be the ones with the Italian cars. **My apologies for the late notification of the date change. I just ended up with way to many things on my schedule during the past month. This will give me time to put together a better event with a different mix of roads plus the option of staying over at a funky B&B in Alma and taking in some more great roads on Sunday. We should also be able to have a bit cooler weather by then for those of you driving Big Healeys, XK Jags, and other non-air conditioned vehicles. I’ve updated this Meetup. For more details, see the full listing: http://www.meetup.com/Auto-Italia-Minnesota/events/53397462/ If the changes affect your plans to attend, please take a moment to update your RSVP. (You can RSVP "No" or "Yes".)** An easy all-paved Monte Carlo style rally using the excellent sports car roads running through Wisconsin’s ultra-scenic coulee country. The easy to follow instructions and timing at its most straightforward make this an excellent choice for those new to rallying while the roads are guaranteed to keep the most experienced rallyists entertained. Run it as a timed event or just ignore the timing and drive it as one of the best tours that you’ve driven. We guarantee that you’ll see roads that you never dreamed existed in the Upper Midwest. There will be a limit of 20 cars. Your RSVP will count for one car with two people. If you add a guest, we'll assume that you have a friend that will be bringing a second car. More details to follow as we get closer. Ciao, Ed Solstad 612-822-0569

Minnesota Triumphs
Calendar Rally

Welcome to the first ever Minnesota Triumphs Calendar Rally. Hopefully this will become an annual event. The rules are simple, just drive your Triumph in search of theme destinations, photograph your find and email it back to the rally master.

This year, as we live in the land of 10,000 lakes, the theme is WATER that’s H2O. For the 2012 season, May 1st through October 31st Just drive to a City or Town in Minnesota that has a reference to water in its’ name, take a photo of your Triumph with a sign that identifies it and send it on to the rally master. Be sure to date stamp the photo or somehow identify when it was taken. You are on the honor system here. The sign could be the official sign along the road or better yet, maybe a Bank or water tower that has the town name on it. We are not encouraging you to stop along a busy road and get run over by a semi. The car with the most photos will be declared the winner and, along with the bragging rights, will be the feature car on the cover of the calendar.

That leads us to the whole point of this rally. The photos from the highest scoring cars will be used to produce The Official Minnesota Triumphs Club Calendar. The first, second and third place winners will not only get their cars in the coveted calendar but will also receive a free calendar for their heroic efforts. The calendar will be offered to the public for a modest price following the awards ceremony at the November meeting.

We also need to be thinking of a theme for next year maybe BBQ shacks or British Pubs?

Please sign the following Release to become an official entrant in the 2012 Calendar Rally and don’t forget to have a little fun along the way.

Send all photos to: Larry Berg lsbergdtm@gmail.com
I will keep everyone up to date on the Triumph Face Book page.

This is a release.
I understand that this event is a rally. I understand that this is an inherently dangerous activity, which should only be undertaken by competent, experienced individuals. I agree to abide by all applicable traffic regulations in the state. I accept full and complete responsibility for my safety during this rally. I hereby waive any and all claims I may have against the event, its organizers, agents or sponsors as a result of my participation in the event.

About Minnesota Triumphs Car Club

Minnesota Triumphs formed in 1981 when a group of Triumph enthusiasts met for an afternoon of fun and conversation at Fort Snelling Park.

Since then, the club has grown to more than 150 members from throughout the Midwest.

Our activities include:
• Monthly meetings
• Social gatherings
• Tech sessions
• Road rallies
• Regional and national events

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough, are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.

Membership

Our membership year runs January 1 through December 31.

Annual membership is $25 (an additional $1 provides your partner with voting privileges at our annual election of officers). With this membership fee, your newsletter can be seen on-line or you can pick up a hard copy at the monthly meetings.

If you prefer to have your newsletter mailed to you, membership fee is $35 (plus $1 for partner’s voting privileges).

Join after September 1st and enjoy full membership benefits through the remainder of the current year and the entire next year.

Monthly Meetings

Minnesota Triumphs meets the second Thursday of each month, January through October. Club members gather at the Fort Snelling Officers’ Club at the intersection of Post Rd. and Hwy. 5 across from the Minneapolis/St. Paul International Airport.
October 2012
At last count, it appears that membership is around 117 members for this year. Earlier, we lost a long-time member and friend, Russ Mattson and bid him a final farewell. Also, we gained several new friends who joined our fine club this year. Welcome to all the new members!
Just a reminder that at the October club meeting, members will be asked to vote for officers. As per our club By-Laws, my second term as Membership Chair is coming to an end this month. I’d just like to take this time to say that it was an honor for me to serve the club in this capacity. I had a great time doing it!
Next meeting is Thursday, October 11th. Bug swatting, car kicking and tire admiring commences at 6PM in the parking lot. Meeting begins at 7PM. Hope to see you all there!
