PREZ RELEASE
AUGUST 2013

Hear ye! Hear ye! Congratulations to the Brits - a fresh prince has arrived!! By the time you're reading this, he should have a name. The first lady is hoping for "Spencer," in honor of his grandmother, Princess Diana.

Now then, whether you believe our weather should be blamed on global warming, some other phenomenon, or just bad luck, IT IS WHAT IT HAS BEEN!! That being said, driving season is brief. So make the most of what's left of it by participating in some of our own club's events, intermarque events, or just take some impromptu joy rides. BTW, let's not forget to get those BBQ photos in to me so we can have an awesome calendar for 2014! Thanks to those who have submitted photos already.

Larry

It's NEW. Now you can keep in touch, share photos, and let other Minnesota Triumph members know what you're up to. Check in at MN Triumphs on facebook. Go ahead, write on our wall.

MINUTES OF THE MINNESOTA TRIUMPHS

July 11, 2013 Meeting

President Larry Berg called the meeting to order at 7:11 p.m.

Larry started the meeting with a plug for the barbeque calendar rally. He's already received several pictures, but all are encouraged to send pictures of their Triumphs at barbeque restaurants for consideration in next year's calendar.

Membership Chair Joe DeMuth reported nothing new. Steady is good.

Newsletter Chair Orrin McGill thanked everyone for all the submissions entered for the July newsletter. He pointed out that he almost had too much content, which is a good thing.

Event coordinators Terry Mackey and Dick Leighninger had a host of notes on upcoming events.

- The Mudhens baseball event is coming up on July 21.
- The Mystery Tour has been moved to July 23 (yep, it's a Tuesday). It starts at 6 p.m. at the corner of Highway 7 and County Road 41 near Excelsior.
- The Fall Color Tour is scheduled for Oct. 12. Someone is needed to organize. If you're interested, contact Terry and Dick.
- Dick's aviation group is organizing a bus trip to Oshkosh, Wis. for the air show. The deadline to enter is very quick – July 15.
- A drive-in movie night will be held on July 26 at Vali Hi.
- The next day is the Winery tour on July 27 at the Woodland Hill Winery. Anyone interested in caravanning out can meet at the northeast corner of the Ridgedale Mall parking lot at 11 a.m..

Tech session coordinator Pat Holt reported that we had a great session at Carole Isakson's house last weekend. He mentioned that nothing is currently planned for August, so anyone wanting some work done can certainly request it.

Regarding Intermarque, there are lots of upcoming events to which everyone is invited.

Lots of people drove their little Triumphs to tonight's meeting, including a 1974 silver TR6 that's for sale. A previous owner had apparently spent some \$30,000 on a full restoration. The car's now for sale for \$5,700.

Finally, those in attendance reported that last Sunday's Intermarque picnic was a great success. Sue Ethier brought roast beef for everyone and we had a good turnout of about 35 people.

Larry adjourned the meeting at 7:47 p.m.

Total Attendees: 35

Total Triumph Cars: 21 (plus four more TR6s and TR8s showed up from Wisconsin as we were milling about the parking lot after the meeting).

VTR REPORT

AUGUST 2013 VTR REPORT

Why would anyone pay \$35 to join a group like the Vintage Triumph Register? Or for that matter, why pay \$25 to join all of us in Minnesota Triumphs?

Recently on the trip to Hot Springs, AR, I was reminded of the importance of belonging to an organization where all of us have a mutual interest. While in Hot Springs I got a phone call from Bill Lynn, membership secretary for Vintage Triumph Register (VTR). Bill had just bought a 76 TR6 on Ebay from a private party in the St Paul area, but now he had to pay for it and pick it up by the required date. Unfortunately, he was unable to arrange for pick up of the car until after that date. He was in need of someone he could trust to do that and store it for a week. So where should Bill go to find folks he knows he can trust?

He calls me, your friendly, *trustworthy* VTR liaison guy who happens to be in Hot Springs with Joe Bisanz, Orrin McGill, and Joe Soucheray. Bill is looking to store his car someplace and hopes to have someone pick up the car who knows 6's. He was willing to pay for all services. I went over and talked to Joe, Joe and Orrin and Joe B said he had a place to store

the car and Soucheray said he could help Bisanz on Saturday, the day Bill wished the car to be moved and checked out. On arrival to the car's location the Joe twins checked the fluids and found the car to need about all. They had taken fluids and topped the car so to make the move safely. The car was then driven to Bisanz's safe storage garage. The guys concluded the car was sound and needed some work but good otherwise. Joe B passed this on to Bill Lynn who was pleased the car was out of the past owner's hands and to a place and in the hands of folks he could trust.

The following Saturday Bill's son came from Chicago with trailer and all to tow the car back to the Chicago area. Joe B and Orrin advised the son of what they had discovered and observed while driving and visually checking out the car. Of course Bill was pleased when he finally received his new TR6 and thanked all of us for the roles we played in getting this done. When Bill tried to pay Joe Bisanz for his trouble and storage, Joe declined and said it was his pleasure. Bill was pleased so much so that he gave Joe B two gratis years of membership into the VTR. I think this

story demonstrates the value of VTR membership.

Another example of the camaraderie offered to members of the MN TR's is the assistance in keeping our cars safe and roadworthy. At least 5 cars are going to the VTR convention in California this fall. My 6 is pretty good, but certainly not perfect as I seem to have a bit of a vibration at speeds exceeding 70 mph. Those going tripping so far are the Bisanz's, Mackey's, McGill's, Thompson's and Gayle and I. All of these folks have offered to help me in some way or another to get my car up to a more reliable condition. That is true club membership loyalty and helpful spirit. Through the years so many members, too many to list, have been helpful with various problems or concerns that I have had. Thanks to all of you in Minnesota Triumphs and to many of you members in Wisconsin too. So now here comes the pitch. If you are not already a VTR member, please join a group of caring, trustworthy folks who love their hobby. It is a good start and not bad being in MN TR's either! Try www.vtr.org for membership for VTR membership.

Mystery Tour 2013

Destination: Henderson, MN. – Main Street

Weekly Tuesday Night Car & Bike Show

Twelve Triumphs met in Excelsior and headed south through Chaska and Carver continuing on the beautiful Scenic Byway drive (Hwy.40) to Henderson. The weather was spectacular and so was the countryside. There were about 200 cars, countless motorcycles, food vendors, and appropriate libations. The organizers were happy to welcome our British contingent – something different! So if you're looking for a Tuesday evening activity, the drive is well worth it and the food and company great! The action begins around 5:00, winds down around 9:00. BTW, the Road Haus bar/restaurant serves a mean gyros sandwich! Check out the front cover for more photos of the event.

Coulee Classic Results

Hi All,

Thanks to those of you that came out and ran the 2013 Coulee Classic.

Marsha was obviously having too much fun with the TR8 as she accumulated the majority of their points by coming in early.

Everyone seemed to have a good time, the weather was great. The cutting and pasting of the route instructions to avoid the bridge construction SE of Maiden Rock actually worked and helped us to do a slightly different mix of roads.

Next year we'll go back to a Saturday event, that way we can all sleep in on Sunday or stay overnight at the Laue House in Alma like Marisa & I tend to do. I'll also remember that the Pizza Barn doesn't open until 5:00. Thanks again for joining us last Sunday Ciao, Ed

The Friends of Triumph Presents:

The Kastner Cup 2013

There are some events that are life changing. Not only one event, but many aspects and sides to a whole experience. Just the thought of it gives me goosebumps. The particular event we are excited about is the Kastner Cup 2013.

It is the 11th installment in an annual event filled with racing history. Starting in 2003 in Ontario, Canada at Mosport International Raceway and has been held at different historic villages with racetracks in the forefront all over North America. With locations like Watkins Glen, Road Atlanta, Laguna Seca, and other race tracks, this installment for 2013 should prove to be the largest and most historic of them all. The Village of Elkhart Lake, WI is alive with racing influence and sights that any motor sports fan can relish for life. From the old course still in place with landmarks like turn five, The Hard Left, to the start/finish line distinctly marked in the background of the famous Seibken's Resort and Tavern. Elegance, style, ambiance are all felt while standing in the center of it all. Did Paul Newman sit in this very chair? Did Kas Kastner stay in this room? The mind can't help but wander off into thoughts of high revs and tire smoke. The prominence and prestige of the rich and famous, the finer things right before your very eyes.

Even visiting the small village's benefits like quaint antique shops, personable cafes, and local villagers' smiles and welcoming waves, all with the sweet song of horsepower in the distance. This weekend will be filled with "can't miss" events. Take in a stroll around the green terrain, eat at a five star restaurant, order a drink at Seibken's Bar, enjoy the Gather on the Green Vintage Car Show near the old start/finish line in the

Osthoff Luxury Resort courtyard, or hang out at the track all day and soak up the sights and sounds that are only present at this event. If you have a car, you are in for a special treat. There will be Old Course reenactments, tour laps at Road America, and wind in your hair while following vintage cars wanting to be a part of it all just like you. This promises to be a touch of it all. A hint of the honor and glory of yester-years.

Not only will there be racing, but it will be a display of how things used to be. Real men in rockets on the razor's edge in cars that are rebuilt to specs of their prime. 40, 50, 60 year old cars humming a tune of power around Canada corner and up the hill towards the tower. Spectators, aptly pegged "Fence Monkeys" peering around the corners trying to get a glimpse of days of glory past. The smell of burnt rubber and exhaust fumes ever present at every corner of this "4 Miles of Black Magic".

This will be the place to be, the thing to do, and will coexist with the VSCDA's Elkhart Lake Vintage Festival starting September 6th and continuing through September 8th. The Kastner Cup will be the crown jewel of this entire weekend. Someone will be awarded the prestigious Kastner Cup. It won't necessarily be the fastest driver. It is possible to win twice, just not consecutively, but I guarantee they will be pushing as hard as everyone else. There is yet to be a repeat winner. The Kastner Cup is based on 50% track performance, 25% car presentation, and 25% attitude and interest in Vintage Racing.

Come be a part of it all. Take in all the sights and sounds that this once in a lifetime experience has to offer. Whether you are a racer or spectator, we promise you will develop fond memories and meet people with the same passion and

love for vintage cars and the lifestyle that comes with being a custodian of such works of art, displays of form and function, and historic drivers alike.

See you there. September 6th-8th at Elkhart Lake, WI. VSCDA's Elkhart Lake Vintage Festival and Kastner Cup 2013 are waiting for you...

Membership Notes

The members that attended Rendezvous had a great time, too bad there weren't more of us. We were overrun by MG's, hey its all British, right? While most participants were enjoying the gnome guided tour, Larry Berg, Karen, my wife, and I set out to find the "Lost Forty." Seems that at the turn of the century, when the state was surveying the forests for timber sales to logging companies, a mistake was made. There was one forty acre plot that didn't show up on the maps. That acreage was never harvested. Consequently, there are 100 to 300 year old white and red pines standing today. The road is marked and paved except for the last bit. There are trails with informative markers. Very much worth a visit.

On to club business. We have a new member, Kelly Schaffer who hails from Blaine. Welcome to the club. Also I need to apologize to Jim Cherveny for misspelling his name in the roster. I have corrected the error on the roster and, of course added the Kelly's information. But I hesitate to sent out updated rosters every time a change is made, so I have made an executive decision. In the interest of not clogging your email boxes with large files every month, I will sent out an amended roster in August. Meanwhile just make good, old pen and paper corrections to your copy as more of my errors become known. And, of course, make note of the new member.
