ON THE COVER

Osseo Intermarque looks like it was well attended.
Word on the street is that there were around 18 Triumphs on display.

Triumphs & Tribulations is the official newsletter of the Minnesota Triumphs Sports Car Club. It is published monthly except for November and December. Deadline for contributions is the 20th of the month prior to publication. All the opinions expressed in the articles, columns and other materials are those of the author and do not necessarily reflect the position of MTSCC. MTSCC is not responsible for any technical advice which may appear in these pages. Classified ads in the Triumph Trader are free to MTSCC members and to members of other Triumph clubs. Submissions should be sent to the editor. Non-member and commercial notices are published for \$5.00 per month.

PREZ RELEASE

PREZ RELEASE

As I write this Release, last week was a fun Triumph week! The Thursday May Club meetings was well attended. The weather was great and many members drove their Triumphs (around 20 or so). Thanks goes to Doug Burch for directing the parking to ensure we got the maximum number of Triumphs in the parking space reserved for the club. Of note, we had more Triumph 3 series cars attending then I can ever remember. I think there were 6. Also of interest was Jeremy Fohrenkamm's Spitfire with its newly installed Honda engine. Then on Saturday the weather continued to hold for the InterMarque Spring Kick-off in Osseo. It was in the 80's and sunny! I not so fondly remember prior Kick-offs when it has been cloudy, windy and snowflakes. This year I would estimate there were about 20 or so club Triumphs driven to the event. Bob Swanson's newly restored 59 TR3A and Greg Gelhar's 73 TR6 were proudly displayed representing the Triumph marque. April 22nd was the great TR3 parts sale and giveaway at Gary Stephenson garage in Lino Lakes. This was the location where club members had restored 3 TR3's. There was a treasure trove of leftover parts that included radiators, engine blocks, hoods, brake components, battery box liners, gas tanks and parts that only Pat Holt, Joe DeMuth and

Greg Gelhar could identify. What wasn't sold or taken was loaded on a trailer headed for the salvage yard. Someone missed out on an engine block that would have made a great coffee table.

As this month's newsletter is going to print members are getting ready for the Race to the Rapids, Rendezvous 2017, in Grand Rapids, MN. The event runs from June 1st – 4th. The host venue is Sugar Lake Lodge. It is a great resort and a nice leisurely 185 miles or so from the Twin Cities.

I would like to give Steve Shogren a shoutout for the great job he is doing as the Club Tech Session Coordinator and all the members who are attending to help fellow club members work on their Triumphs. These sessions are one of the great reasons to become a club member. Happy Motoring

TRIUMPHANT LADIES

What's that about??? It's a casual way for us ladies to stay in touch about who is going to an event, meeting, trip or drive. We can also help each other stay informed about anything that comes up, such as if someone has surgery, or becomes ill, gets a new car or wins an award for a show. Knowing someone cares is always welcome! Also, this has the potential for growth into more, such as our own events and gatherings, etc. It's our own so it can be as much or little as we want to make of it. There are already a few on my list, and are added only by request. To be included in this fun (I hope!) venture, please email me. nancy@gelhar.com Thank you everyone!!!

MINUTES OF THE MINNESOTA TRIUMPHS

May 11th 2017

What a beautiful spring day we had. By the start of the meeting, we had 20 TR's lined up. At 66 degrees, blue skies, there was allot of tire kicking, hood popping, and tales of the beauties initial startups and ride. It was 52 degrees at the start of the meeting, with 6 Triumphs observed in the parking lot. A sure sign of spring is near.

Jon Meier kicked off meeting with reports from staff. One new, Mark Vandemmeltraadt joined us. Welcome Mark.

Treasurer Jill Davenport reported a balance of \$13550. See Jill's current breakdown of our status in the newsletter.

Joe DeMuth reported 103 members have paid their membership dues. That is up 3 from last month. Two new members joined during the past month, David and Amy Lee. Welcome. They reside in Iowa, and were unable to attend today's meeting.

Orrin McGill, our newsletter editor requested we keep the articles coming. He does have some pic's from past tech sessions. He also received a seven page article for publication, and will be publishing that in the upcoming newsletter(s)

Steve Shogren, reminded us of the May 20th Tech session, and reported the June Tech session is still open. Contact Steve if you which to schedule June's, or an upcoming session..

Doug Burch reminded us of the InterMarque spring kickoff May 13th. See newsletter for other upcoming

InterMarque events. (At the time of writing, I can say what a great day it was, and what a collection of great cars.)

Jon Meier talked about upcoming volunteer positions needed, referencing and email that was sent out earlier. Please review the list and sign up to assist out club at these upcoming events.

Jon informed us of the passing of Simon Runyan, son of Charles Runyan, owner of "Roadster Factory". Our thoughts and well wishes.....

More tire kicking and tales of TR successes and woes commenced outside after the meeting was adjourned, with two more Triumphs showing up.

VTR REPORT JUNE 2017

The trip from South Florida was uneventful with the exception of me drinking a six pack of 5 Hour Energy Drink. I'm hoping most of you don't have to do that while driving. Used to be I could drive into the night on a diet Coke. Not anymore. Passed thru West Virginia and stopped so Gayle could see the New River Gorge Bridge where it closes down in the October for a day or two so that bungee jumpers, para sailors and wheel chair folks can have a thrill while gambling with their lives. Quite a sight and engineering feat by Michael Baker Junior Engineers of Beaver, Pa. The steel for the bridge was fabricated by American Bridge of Ambridge, Pa. (location of my old high school Alma Mater, Ambridge High School). When this happens drivers going north and south through West Virginia have to detour for about 2 hours.

By the time you read this most will have been to the Rendezvous

2017 in near Grand Rapids, MN. I see tonight someone predicts from the Weather Channel a nice week end for the fest will be in store. Don't count on it. My report shows Thursday and Friday decent, then Saturday and Sunday the temps drop and the skies open again for a much needed rain. NOT! Since being back in MN we have seen two nice days in the past 2 weeks. Soon this has to let up and the sun and warm temps will surely return to the land of sky blue waters!

Most all know that the VTR convention will be in Princeton, NJ for 2017. Here we will celebrate 50 years of the Triumph GT6 from August 16-20. Visit the website at vtr2017.org. Take a chance. Let the fun begin in 2017. You must be a member of the VTR.

Since you are a Mn TR member, you should join VTR. The VTR magazine is always loaded with

tidbits and Triumph history that as a passionate TR owner I know you will enjoy The Vintage Triumph. All you have to do is spring for \$35 and go to the Vintage Triumph Register website, www.vtr.org, or just send \$35 for one year subscription to The Vintage Triumph Register, PO Box 655, Howell, MI 48844. No Triumph, no problem. This will help you discover what you need to know to buy one more easily. Your benefits include a bi-monthly magazine, The Vintage Triumph, technical consultants; annual convention which brings together hundreds of Triumph enthusiasts, support of local and regional clubs like us here in Minnesota. You can also find more TR regalia and maybe a better rate on your insurance. Be loyal to the VTR and join today.

- Road rallies
- Regional and national events

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough, are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.
