Rendezvous, eh!

Canadian trip had a great representation (14?) of Minnesota Triumphs. Amazingly no major breakdowns! Ask Buchens about their "era costume" award...

PREZ RELEASE

PREZ RELEASE

As I write this, it is mid-June. The driving season is in full swing. Next month (Tuesday, July 17th to Saturday, July 21st) the Club will be hosting the 2018 VTR National in LaCrosse, Wisconsin, on the banks of the historic Mississippi River. Many club members, headed by Greg Thompson, have been diligently planning all facets of this multi-day event. I hope you will have an opportunity to attend all or some of the many activities planned. Check our Club website to view the full schedule of events (<http://www.mntriumphs.org/vtr2018-schedule.shtm>).

On June 7th-10th, I had the opportunity to attend the 28th Annual Lake Superior Sports Car Rendezvous in Thunder Bay, Ontario. By my count there were about 11 or 12 members of our Club attending. On June 6th many of the Club members spent the night at the Naniboujou Lodge (<http://www.naniboujou.com/>) outside of Grand Maris, Minnesota. Great place to visit if you are ever in that neck of the woods.

In Thunder Bay, while attending the Mount McKay Lookout Tour, on Friday, June 8th, the extremely bumpy road to the event caused some discerning loud banging under the rear of my 3A. Jody was sure that the rear end of the car was coming off! We stopped at the historic Chippewa Park at

the base of Mount McKay to see if I could assess the cause. At the Park, Tom La France, a Thunder Bay Club member heard me grousing about the problem to Jody and invited me to drive to his house where he had a lift in his garage. Once the 3A was off the ground, we took off the rear wheels, tightened the rear Lever shocks mounting brackets (didn't seem to be the problem?). We really didn't see anything else under the rear of the car that was loose or broken. We then followed the exhaust to the front of the car. We checked the front mounting exhaust bracket. Yup, it was loose. With 4 hands we were able to pry the exhaust pipe off the X-frame and tighten the front exhaust pipe mounting clamp, which had come loose. Keeping my fingers crossed that this was the problem, I headed back down the road. So far so good!! Never knew a loose exhaust could cause that much noise! THANKS TOM! I would like to give a shout out to the Thunder Bay Sports Car Club. With a club membership of less than 40, they were able to plan and carryout a great event. Thanks! As a side note. All the Triumphs (to my knowledge) who made the 700+ road trip to Thunder Bay, did so in a reliable fashion! The lone exception was Hotfoot Holt's front half shaft giving up the ghost while Patrick was highballing down 35W. Only his helicopter pilot training kept him from disaster.

On June 16th, club member Dale Simpson, planned an Antique Tour in River Falls, Wisconsin. Although it was raining for most of the day, Dale, Dick and Sally Leighninger, and Jody and I had a great time. Yes, we all drove our grocery getters. Great antique stores to go through! The day was topped off at the Belle Vinez Winery. Great food and wine for the merry crew. Thanks Dale for planning this event! Who knew our club had such fair-weather turkey necks, afraid to venture out in the rain and attend this event! See you in LaCrosse! Happy Motoring

MINUTES OF THE MINNESOTA TRIUMPHS

Minnesota Triumphs Meeting Minutes
June 14th 2018

Threat of rain didn't worry the owners of 14 TR's in the parking lot of Ol' Mexico. It did me, I turned around half way there, and in doing so was a half hour late. I apologize ahead of time for the brevity of the minutes.

Approx 50 people attended the meeting with notice of a couple new members since last month. Unfortunately, they didn't make it to the meeting.

A sign up sheet was passed around, looking for members to sign and help at the various events at this years VTR event that we are hosting. More and more people signed up to help out at the VTR event. We have allot of great members stepping up for the various tasks.

Attending Club officers shared their respective information, which is shared with us in the club newsletter.

VTR REPORT JUNE 2018

And finally we are into the home stretch so we can “Justify” all the hard work that’s been put into hosting the 2018 VTR hosted by our club in LaCrosse, WI. Just in case you have not heard it will be from July 17-21! Not much more I can say at this point that has not been said. I’d be remiss if I did not thank all of you members for giving us the opportunity to showcase our club in our own backyard when you said go for it back in October of 2016. Thank all of you who have let our club take the chance to invest our time and monies to put on the best convention we know how to do for the Vintage Triumph Register. I cannot forget our committee who have all spent hours to pull this off. Thank you for your time, hard work, hours of phone calls, making lists, making contacts, printing, sending invoices and reminders. The list is just too large. Thank you!!!

Now all of you new members and all of us old members should help to support your VTR convention committee in some way. I know we all work in some capacity and that puts a bit of a drag on your time for a trip to LaCrosse. This will be that once in a lifetime moment that you should not miss. There are so many little jobs that will be easy and fun for you if you attend just for a day. We all need you. You use this club for technical support and reassurance on how to repair your vintage car. Personally I’ve been coaxed by some to just fix it and drive it. I’ve been told not to worry about

will that old ‘73 TR6 make it to California, or to North Carolina or to Montreal; to Portland, Maine; Princeton, NJ; Hot Springs, AR; Dallas, Texas; Lexington, Ky; Death Valley, CA; and the list goes on. I do say I do feel comfortable driving with a group. Always the group consists of Triumph folks who know way more about Triumphs than I will ever pretend to even try and learn. But there are times when the group splits off to go here and there and we elsewhere too. I’ve learned to trust my car, take it down the Interstates, drive after dark on the prairie, through the mountains, through large cities in traffic jams or wherever without a group. It’s just another adventure. My whole point is to start with this VTR convention that is so close and come with us into the future for this, our next adventure. Hey, there’s always your motor club to get you to a safe place just in case.

Get any room, campsite or a spot in the Wal-Mart parking lot. Just meet in downtown by the river. How could one pass up the opportunity to get the VTR experience being so close. You will have the chance to meet all of these folks from all over the country and Great Britain. So much to see and so close to home. Register here: <http://mnrtriumphs.org/vtr2018.shtm> and touch registration.

Your club needs you now to help us put on our best face and foot

forward to present this 2018 Convention that our guests will speak about for years to come. So for now I will not say join VTR. Just join your fellow members for what should prove to be the best VTR ever. And did I mention fun, FUN!

Don’t be sorry. The time is nigh!

Larry Sanderson, your MN Triumphs VTR Liaison, 507 269 1500 or myfriendlar@yahoo.com or vtrliaison@mnrtriumphs.org

About Minnesota Triumphs Car Club

Minnesota Triumphs formed in 1981 when a group of Triumph enthusiasts met for an afternoon of fun and conversation at Fort Snelling Park.

Since then, the club has grown to more than 150 members from throughout the Midwest.

Our activities include:

- Monthly meetings
- Social gatherings
- Tech sessions
- Road rallies
- Regional and national events

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough or are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.

Membership

Our membership year runs January 1 through December 31.

Annual membership is \$25 (an additional \$1 provides your partner with voting privileges at our annual election of officers). With this membership fee, your newsletter can be seen on-line or you can pick up a hard copy at the monthly meetings.

If you prefer to have your newsletter mailed to you, membership fee is \$35 (plus \$1 for partner's voting privileges).

Join after September 1st and enjoy full membership benefits through the remainder of the current year and the entire next year.

Monthly Meetings

Minnesota Triumphs meets the second Thursday of each month, during 2017 the meetings will be at the:

MEMBERSHIP NOTES

Two New Members this Month

Our club roster has grown by two to 120 memberships. New members this month are Bill Weaver, hailing from Eagan, driving a TR7 with a V-8, and from Champlin, Vern Silvernale with a '58 TR3A. Welcome, both, to the club.

I have been busy this month with my car, fabricating an aluminum radiator shroud to replace the heavy cardboard original. I know that one can purchase this for about \$80, but thought it would be fun to try to make one. Basically, all I did was trace the ratty cardboard one onto three pieces of sheet aluminum, top and two sides. Cut them out and screwed the together. There was some bending involved, also. If you would like a more detailed, step-by-step description, send me an email. Here is the result. It cost about \$30 to make two of them.
