PREZ RELEASE

As I write this, it is the end of May, 60 degrees and raining. One of these days we are going to get a stretch of nice Triumph driving days! Or not. I was just reading the July issue of Hemmings Classic Car. They have a nice article entitled "TRIUMPH'S TRIUMPH, The handcrafted elegance behind the 1935 Gloria Southern Cross". Worth a read if you have the time. Yesterday we had a Club Executive Committee Meeting. We discussed how we can make our new members more welcome and our Club Meetings more efficient and informative. We concluded:

- Everyone should wear their name tags. It will make it easier to approach members and learn who they are.
- New paying Club Members will receive a name tag, club hat and shirt.
- During our meetings, members need to keep their side conversations to a minimum. There is plenty of time to hold these conversations before and after the meeting.
- Club Members should take time to introduce themselves to new members and welcome them to our Club.

We can do a better job of defining what are annual Club sponsored events, Intermarque events, and events Club members want to setup for the current driving season. New members were confused by this. For events Club members are interested in setting up for the current driving season, determining interest before a lot of effort is done to plan these events. If it is determined that these events are a go, publishing the names of members who will be participating.

As you know, last month Ol' Mexico did not rope off the parking spaces reserved for Triumph parking. They told me they had lost the availability of the traffic cone they had used in the past. I have purchased traffic cones, labeled them MINNESOTSA TRIUMPH (using stencils made by Joe DeMuth) and taken them to Ol' Mexico so we should be good to go at our next meeting. Glenn Anderson, our regalia person, has indicated that Suzanne, who he has been working with, will have a website link we can reference. Hopefully this will be soon because members would like to purchase apparel with our Club logo. If members have Triumph items they want to sell or Triumph parts

they would like to purchase they should notify Orrin McGill so they can be listed in our Newsletter.

MINUTES OF THE MINNESOTA TRIUMPHS

Minnesota Triumphs Meeting Minutes
May 9th 2019

We had a good turnout for the meeting with 43 people present. The weather was significantly improved from April. A temperature of 51 degrees enticed 6 hardy TR owners to drive their treasures to the meeting.

We had a couple guests join us for the meeting. They have a great TR4 they interested in selling. I think we provided them with some useful information they were looking for.

Tech sessions are lining up, club activities are increasing, weather is cooperating –life is good.

Who

And

Why

Who are we and who are they? The VTR like our club is a group of like-minded people with a common interest in Triumphs. The clubs will provide different things to different folks depending on where you are on your journey and whether you are in the driver's seat or a willing passenger. The main goal of both is to provide a place to come and share in the experience of owning a Triumph. Our club meets every month from January to October to conduct official business but it is really more of a social gathering. We also talk cars and if you have a question about your car, there is a good chance there will be someone at the monthly meeting that will be able to answer it for you. If you attend the VTR national show or one of the regional events, you will meet like-minded people and can go to a tech session or a drive. Any organization the size of the VTR or our club has to have structure, procedures, and rules to run the club in an orderly fashion. With events held by either club that involves risk of person or property it only makes sense to have insurance to cover any mishap that could occur. The VTR with its many members is able to spread that cost nominally to each member and also offer each chapter insurance at an attainable cost which allows us to host events such as the Rendezvous. This is one of the biggest advantages of being a VTR chapter and I hope we as a club continue to support the VTR with our membership so we never lose that advantage. If you have any questions regarding VTR please contact me.

TECH SESSION II (yes, something actually got put back together)

SPRING KICK OFF

“ Weekend at the Races”

By Joe Bisanz

Of the eleven members who had planned to go, seven of us left the starting line to head for the races. The races being the Spring Vintage Races May 17-19th 2019, at the Road America Race Track in Elkhart Lake Wisconsin. Road America is a 4 mile road course track about 2 miles outside of the town of Elkhart Lake – population 952. Before 1952 when the track opened, the races took place on the streets of the town.

Terry Mackey, Orrin McGill and Dick Leighninger and I left my driveway at 7:30 Friday morning the 17th and picked up Joe Soucheray about 2 miles down the road at a gas station. We headed south on Hwy 52 to Rochester. Just south of Rochester we got on I-90 heading east. After about 20 miles we exited at St. Charles and met up with John Myers who was waiting there. After gas and coffee refills we headed on to Tomah. There we got on I-94 south for about 24 miles and exited on to Hwy 82 east toward the town of Montello. At Montello we met up with Wayne Morris who had been had been visiting relatives there. Montello is where Wayne grew up. He led us to the next town of Princeton where we spotted the American Legion Hall on Main Street. They happened to be having a Brat, Pulled Pork and Burger feed in their parking lot – we hit the brakes.

After lunch and conversation with the locals, we again headed east on Hwy 23 through Fond du lac and on to Elkhart Lake. We drove right to the track to get our \$60.00 weekend passes and headed for the race track paddocks to see the cars. The Friday time trials were in progress and we sat and watched the

cars at the starting line as we walked around the paddocks.

We left for the Siebkens Resort where we were staying about 4:00 to check in. Next was the Race Track Tavern, which is part of the resort for a Happy Hour beer. We had driven 358 miles.

At the Tavern we met up with Pat Holt and his friend Craig. They had arrived the day before. We all visited and talked about the upcoming races and went to dinner about 7:00.

Saturday morning we all met for breakfast at the town Café. Pat Holt suggested we all stop at “Throttle Stop” before heading out to the track for the day. It was quite an experience and a great recommendation. It consisted of a beautiful assortment of cars that are mostly part of one man’s collection plus some that are under consignment for sale. Early Corvettes, Porsches, Mustangs, BMWs, GTOs, Jaguar 140s, Cobras and on and on. It was a state of the art showroom, with a 3 car high stacked storage facility. Did I mention the collection of antique motorcycles?

We drove to the track about 11:00 and set up camp on a sharp curve at turn 5. We watched the races all afternoon. We had lunch there and walked around looking at the cars getting ready to race in the paddock.

Back at Siebkens Resort, after the races we cleaned up and met at their Tavern again for Beer – then on to dinner. Elkhart was having their second annual Block Party right at Siebkens Resort so we mingled with the locals, racers, and their crews as we listened to the local band.

The weather report before we had left on Friday indicated a high probability of rain in the area all three days. Perhaps because of the kind of lives the attendees live, it did not rain on Friday or

Saturday!

However, Sunday the weather that had been missing our area would finally be arriving with a 70% chance of rain all day. Although the races are held in the rain, watching them in the rain is not the most enjoyable. We had all come prepared for rain with umbrellas and a 10x10 foot canopy cover John Myers provided, but we talked it over and decided to head back on Sunday morning instead of Monday. We agreed that a good time had been had by all.

We left for home at 8:30 and headed back through Fond du lac – North on I-41, exited on Hwy 21 where we went west to Tomah. Then we took I-94 back to the Twin Cities where we all waved as we took our different exits home. The rain started about noon on our route and then continued all of the way home.

There is talk of another Road America trip next May – So keep 'em tuned up.

If not...send me a self-addressed stamped envelope and I'll send you two of 'em. One for each Triumph you have or one for your daily driver or two for your TR or one for your front door or... Compliments of your Minnesota Triumphs Sports Car Club.

Triumph Trader

FOR SALE

Thank you, Jon for forwarding information about my 1960 Triumph. Would you please forward these pictures along as well?

I would also like to sell the trailer. Thanks again.

Mary (Dennis) Worwa

Hi Jon,

Since Denny's passing last November, I have decided to sell the 1960 TR3. It is currently still in storage at BMC British Auto in Isanti.

The owner, Brian McCullough, has said he will help me sell the car and show it to anyone who is interested in buying it. As much as I feel bad selling it, Brian explained to me that having the car sit in my garage without being driven is hard on the car and costly as well. My two sons, with young families, are not interested at this point in their lives.

So I greatly appreciate Brian offering to help me with this. He got to know Denny pretty well, and we ran into him last summer at the Hill Climb in Waumandee. My cell number is 651-246-0854 if you might want it.

Thanks for taking time to read this!!!

Thanks again.

About Minnesota Triumphs Car Club

Minnesota Triumphs formed in 1981 when a group of Triumph enthusiasts met for an afternoon of fun and conversation at Fort Snelling Park.

Since then, the club has grown to more than 150 members from throughout the Midwest.

Our activities include:

- Monthly meetings
- Social gatherings

We welcome all Triumph enthusiasts, whether you own a concourse-winning showpiece, are restoring a diamond in the rough or are searching for just the right addition to your garage or just appreciate the marque.

Together we can locate those hard-to-find parts and assist one another in keeping our vehicles on the road. But most of all, the club offers opportunities to explore some of the best roads in the region with others who enjoy the Triumph experience.

MEMBERSHIP NOTES

Minnesota Triumphs Tech Session?

As you can plainly see, I have nothing to report this month. I didn't make the last club meeting due to the weather, so I do not know if any new members showed up.

I did get my car out of storage, it started and the drive home revealed no apparent problems. I am always amazed at the reliability of these cars, they seem to just keep going and going.

I will be emailing the new club roster soon which will include contact information of all new members that joined since the last edition, Oct, 2019.

Hope to see many of you in Osseo on May 11.
